Freezer beef is usually sold by hanging weight (*on the hook, uncut*). You will take home approximately 2/3 of the weight, the rest being waste fat and bone. This cutting loss is the reason the hanging weight price is lower than net weight prices.

All our beef are **raised naturally** and **finished** on our farm without any **hormones or additives**. Our beef is slaughtered under **Federal Inspection** in our own modern plant. We do the cutting, wrapping and freezing and, because we are personally involved in the process from finishing to freezing, we fully guarantee our beef for 30 days.

PORK BY THE SIDE

We also sell natural pork, finished with no hormones, by the side, by net weight. Cuts of pork include: chops, spareribs, loin roasts, shoulder steaks and roasts, and sausage spiced either breakfast style or Italian style. Smoking is available for the hams and bacon, if so desired. The average cost for 1/2 hog (approx. 65 lbs. net wt.) is \$185 and includes smoked ham and bacon, sausage, and all processing charges.
