

WILSON BEEF FARMS, LLC

2021 - 2022

VENISON PRODUCT INFORMATION

- ✓ Bring in your venison ASAP. We will store it vacuum sealed to prevent freezer burn.
- ✓ Two pounds of venison is the minimum to go into any product.
- ✓ Only clean, fresh or frozen, BONELESS meat will be accepted. If we won't eat it, we won't keep it!
- ✓ We do NOT accept any meat containing fat, grizzle, silver skin, blood clots, tendons, rib meat, shanks, hair, dirt, or freezer burn.
- ✓ Meat containing the items above will be rejected.
- ✓ If your meat only needs a small amount of trimming to meet our standards, a charge will be applied to do so.
- ✓ We DO NOT accept duck, goose, or ground venison.
- ✓ Prices are subject to change. Input costs on all materials we use in venison processing have increased exponentially. The pork market is extremely volatile and pork prices have almost doubled. We have raised our prices based on the amount of pork we add to each venison product. This price increase does not cover the increased cost in labor, seasoning, casings, or packaging; we will absorb those price increases because we all have to work together during these unparalleled times. We appreciate our customers, and we hope you will continue to work through this difficulty with us.

From Buffalo:

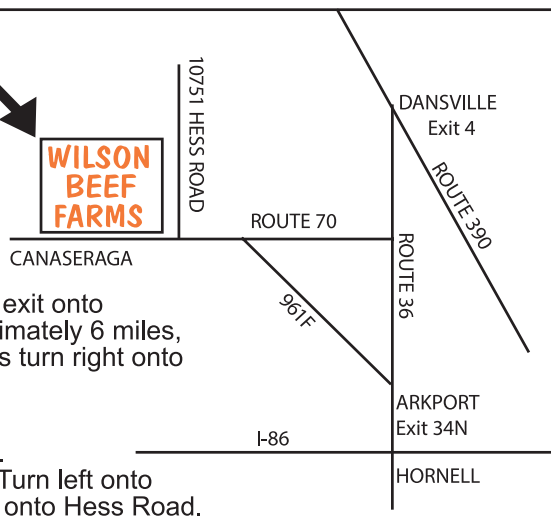

(Travel time approximately 1 hour and 40 minutes.)
Route 20 East (Broadway), right onto Route 63, right onto Route 36S, right onto Route 70, 2 miles down, right onto Hess Road.
