Freezer beef is usually sold by hanging weight (on the hook, uncut). You will take home approximately 2/3 of the weight, the rest being waste fat and bone. This cutting loss is the reason the hanging weight price is lower than net weight prices.

All our beef are finished on our farm **without any hormones or additives**.

Our beef is processed under **Federal Inspection** in our own modern plant. We do the cutting, wrapping and freezing and because we are personally involved in the process from finishing to freezing, we fully guarantee our beef for 30 days.

PORK BY THE SIDE

We also sell a standard cut 1/2 hog which is 62 lbs. of pork for \$318.00. It includes:
